YOUTH Enrichment PROGRAMME

ENRICHMENT DATES

WEDNESDAY 25TH JANUARY 2023

(ENRICHMENT SESSIONS)

MENTAL HEALTH

Mental health is an extremely important component of our general wellbeing. With mental health issues becoming increasingly prevalent, it is imperative that we move mental health to the forefront of conversation topics and have transparent discussions about how we are truly feeling.

During this enrichment session, we will be looking to challenge the stigma related to mental health, promote emotional wellbeing and healthy coping strategies, reframe negative thinking and discuss how to help others suffering with their mental health. We will also look at mental health from an Islamic stance.

WEDNESDAY 22ND FEBRUARY 2023

(ENRICHMENT SESSIONS)

WORLD HIJĀB DAY

The hijāb has a much larger scope than what we tend to think of when hearing the word. Hijāb refers to a behaviour and character that all Muslims are encouraged to observe. It is a code and way of being, which includes, but is not limited to, covering according to the way Allāh has commanded us to in the Qurʾān and what we learn from the sunnah.

In this enrichment session, we will be promoting our children to share thoughts on the theme of hijāb, which encompasses modesty and humility in thought and deed, in the way that we carry ourselves and, in the way, that we relate to ourselves and those around us.

WEDNESDAY 24TH MAY 2023

(ENRICHMENT SESSIONS)

PROTECT OUR PLANET DAY

Muslims believe that humans should treat the world with respect. Our guiding principles on the environment are that our Lord, Allāh, has created the world around us and has entrusted creation to humans, as a sacred duty for us to look after.

Together, we will be encouraging our children to think about ways in which we can be eco-friendlier, reduce our carbon footprint and save our resources. Islām, too, encourages us not to be wasteful and to take care in that which we utilise. We also plan to take our children on an external visit to inspire them by seeing examples of how we can be eco-friendly in our daily lives.

WEDNESDAY 21ND JUNE 2023

(ENRICHMENT SESSIONS)

DHUL-HIJJAH, 'ARAFAH & THE LESSONS FROM THE LIFE OF IBRĀHĪM ﷺ

WEDNESDAY 27TH SEPTEMBER 2023

(ENRICHMENT SESSIONS)

ISLAMIC HISTORY

(SREBRENICA GENOCIDE, THE BLESSED LAND OF PALESTINE & THE UYGHUR MUSLIMS)

At Al Misbaah Academy, we strongly feel that it is of utmost importance that our children are educated regarding the rich history of Islām as this concerns the political, social, economic and cultural developments of Islamic civilisation. The study of history is important because it allows one to make more sense of the complexity of the current world. Furthermore, studying history encourages habits of the mind that are vital for responsible public behaviour, whether as a national or community leader, an informed voter, a petitioner, or a simple observer.

WEDNESDAY 18TH OCTOBER 2023

(ENRICHMENT SESSIONS)

BLACK HISTORY

Black History Week is an excellent opportunity to educate and learn about the struggle and achievement of African Americans, their creativity and contribution to human civilisation and also to reaffirm their struggle and determination to fight prejudice and racism.

In this enrichment session, we will focus on great Black Muslim personalities, both contemporaries and those throughout history, who contribute/d positively to their societies. We also seek to educate on the issue of racism and social justice within our communities and promote the notion of equal opportunities for all.

WEDNESDAY 29TH NOVEMBER 2023

(ENRICHMENT SESSIONS)

A MUSLIM'S LOVE FOR ĪSĀ (PEACE BE UPON HIM) & OUR BELIEFS

Around the period of Christmas, our children are exposed to nativity scenes, parties, celebrations and Christmas carols. They become confused about the truth of what they come across and often are not able to differentiate between our beliefs and the beliefs of other faiths.

In this enrichment session, we will seek to focus on drawing parallels and pointing out the differences between the different beliefs. We believe that it is fundamental for our children to understand why we do not partake in such celebrations and Islām's stance on this.
