MESSAGE FROM [MUFTĪ] SUHAIL PATEL (HEAD TEACHER)

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

All praise be to Allāh, the Almighty, the Most High, and may peace & blessings be upon His beloved Nabī, Muhammad ﷺ.

Benjamin Franklin once said, "By failing to prepare, you are preparing to fail."

In a few words, this statement powerfully captures the importance of planning and preparation. To increase chances of success we must be strategic and strive towards executing our plans. This is the month where preparation is key for both our students and Muslims throughout the world.

For our students, they will be undertaking their first set of exams for this academic year, with the first examination taking place on Wednesday 15th March 2023 (further details included below). All students are encouraged to give special attention towards revision in these next few days.

As for the general population of Muslims, this month of Sha'bān is our time to prepare well for the blessed month of Ramadān. May Allāh make this Ramadān the best one for each and everyone of us. Āmīn.
