MESSAGE FROM [MUFTĪ] SUHAIL PATEL (HEAD TEACHER)

بسم الله الرحمن الرحيم

All praise be to Allāh, the Almighty, the Most High, and may peace & blessings be upon His beloved Nabī, Muhammad ﷺ.

We are truly blessed to have witnessed another month filled with opportunities for growth, both academically and spiritually. Alhamdulillah, we recently had our youth Umrah trip, and it was a great success. Our students had the chance to perform this sacred pilgrimage, drawing them closer to Allāh and providing them with valuable life experiences.

As we reflect on this blessed experience, we must also remember to express our gratitude to Allāh. We thank Him for the ease of being able to study His religion, as many around the globe, like the people of Palestine, are going through hardships that make their lives very difficult. These struggles often prevent them from learning and practicing the religion of Allāh in peace. We are reminded of the importance of appreciating our privileges and using them to make a positive impact in the world.

As we strive for academic success and spiritual growth, let us also keep those in need in our thoughts and prayers. In times of difficulty and hardship, may Allāh grant relief and assistance to our brothers and sisters around the world. May He grant the highest of paradise to all the lives that have been lost. Āmīn.

Wishing you all a month filled with blessings, preparation, and gratitude.

Warm regards,
Headteacher

PRAYERS FOR PALESTINE

All praise be to Allah,
The All Hearing
The All Knowing
The All Sustaining
Protect the people of Palestine
From harm
From distress
Ya Allah hear their prayers
Help the innocence of children
Father and mother
Help them as you've helped us
Their pain is our pain
Ya Allah hear their prayers
By Humza Ilyas Class 8

Allah, the All Knowing, the All Hearing,
the All Merciful,
Oh my Lord, protect the people of
Palestine
Protect them from this war
Elevate their status in Jannah
O Allah grant them protection
Allow them to regain the land they lost
Indeed your power is limitless.
By Aariz Khan

They cut off water and communication,
We are all one ummah, one nation.
World leaders can't see this, they need
concentration.
Oh Palestine inshaaAllah you will be free
InshaaAllah we will see.
A minute of silence is not enough for
Gaza
Happy to be alive, clothes with holes,
don't worry about Prada.
When they ask for help, leaders say nada
1000s of children lost, can no one see this
slaughter?
Mothers hands up making dua for her
son and her daughter.

By Hesham Gadakhel Class 8

Oh Allah, please save the people and children
of Palestine.
Save the people who rightfully inhabits the
land but have been kicked out of their own
homes.
Oh my Lord please save the children fleeing to
safety at the sound of a plane.
Oh Allah have mercy upon the people of
Palestine.
Please save the lonely children who have no
more family.
Save the elderly who can't get to safety in time.
Guide the people of Palestine to peace and
tranquillity and bless and free our beloved
Al-Aqsa.
Ameen – surely You are the Most Merciful, the
Most Gracious.
